Internship Offer Letter

Dear Alfaiz Shaikh,

Welcome to the Fifty Is Nifty and Veav AI Organizations.

Congratulations! We are pleased to offer you the position of IT Technical Intern with Fifty Is Nifty, a Non Profit Organization for our new project. Your start date will be January 1, 2026 and the internship will be until June 30, 2026.

We are confident that you would play a significant role in the overall success of the venture and wish you the most enjoyable and truly meaningful experience with us.

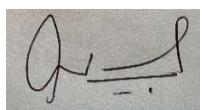

As an IT Technical Intern, you will assist in the development of Connectors for the Debezium stand alone servers.

We look forward to a worthwhile and fruitful association, which will make you equipped for future opportunities.

Note: This is a letter of intent for an association that does not constitute the completion certificate.

T&C: In case of any irresponsible or insubordinate behavior, the organization will have full authority to terminate your internship.

With best regards,

Vandana Aggarwal

(President of Fifty Is Nifty Organization)
